

## PRODUCT INFORMATION

X-Fold Compact Rollator

## Monza

The Affinity Monza X-Fold rollator is responsive and manoeuvrable. The large wheels are perfect for outdoor use. The unique side folding and dismantlable design makes the Monza the perfect travelling companion.

Designed, and built, to European standards. CE Certification (European Certification) provides the buyer with peace of mind that safety standards are met, and quality is assured.

The focus of the Affinity brand is "quality products at an affordable price". Attention to detail, and practicality of use, are at the heart of the brand. The balance of quality and value means you get a great product at a fair price.
