

PRODUCT INFORMATION

Rollator / Transit Chair

Duet

The Affinity Duet is the ideal dual purpose rollator. Great for maintaining independence, this versatile x-fold design rollator doubles as a short term wheelchair when the user becomes fatigued. The dismantlable design makes it the perfect travel choice.

Designed, and built, to European standards. CE Certification (European Certification) provides the buyer with peace of mind that safety standards are met, and quality is assured.

The focus of the Affinity brand is "quality products at an affordable price". Attention to detail, and practicality of use, are at the heart of the brand. The balance of quality and value means you get a great product at a fair price.
